Dear Mr. Hill,

Please see the following information in regards to your FOIA request. These answers were provided by Police Chief Rob Fincher.

#1

The Martinsville Police Department utilizes a server-based video system created by COBAN Tech Corporation which is now owned by Safe Fleet Inc. This system has a programed Digital Video Management System or DVMS. The DVMS follows a retention system for those videos that have not been marked as evidence by the Commonwealth's Attorney's Office. If the Commonwealth's Attorney's Office designates a video as evidence it is retained indefinitely. All other videos are subject to the DVMS retention schedule. The DVMS begins cleanup when a video is within the minimum and maximum hold period for its event classification and when the disk usage is more than 80% and have not been accessed in 150 days. DVMS cleanup refers to changing the file allocation address of that data file to allow for other data to be stored in place of that file. This is like all computer systems in that if you tell the computer to delete an item, it is not actually deleted but designated to be overwritten. The event type retention schedule for the DVMS is as follows;

Event Type	Minimum Days	Maximum Days
Assist other Agency	183	200
Assist other Officer	183	200
Vehicle Crash	183	200
Alarm – Business/Residential	120	150
Body Camera default	183	200
Criminal Apprehension	365	400
CIT – ECO – TDO	183	200

Disorderly Person / Group	183	200
Domestic	365	400
DUI-DUID	365	400
Funeral Escort	30	31
General Assistance	180	200
General Traffic Stop	365	400
Interview Rooms	365	366
Pursuit	365	400
Redlight/Stop Sign	200	201
Suspect Interview	365	400
Speeding	183	200
Training	200	300
Victim Interview	183	200
Video Training	10	11
Witness Interview	183	200

If a court receives an item as evidence or potential evidence, then the court retains those items in their evidence storage. A court can issue a preservation order in certain circumstances for a limited time with certain data evidence. I have not heard of one ever being used for video data. It is mostly used for cellphone and telephone data. If litigation is filed within a court then the status of a video regarding that case would then be changed to “evidence” and then retained indefinitely. Notice of that litigation would have to be served on the department within the retention period followed. If a suit is filed after the evidence has been destroyed there is no way to “un-destroy” an item.

#3

In the records logs, I see that two videos, one body camera and one in-car camera, that were labeled David Hill from that date were removed (deleted) by the DVMS system on 4/9/2019. Neither video was indicated as evidence, so unfortunately, we do not have either. If I had the videos, I would have no problem giving them to you but unfortunately, I do not.

Sincerely

Kendall Davis

My apologies, I attached the wrong document. I had used Eric Monday's previous letter as a reference to format my response to your request, and accidentally uploaded the wrong file.

Here is the correct document, you should be receiving it in the mail this week.

Please be assured that the previous email was not the response to your FOIA request.

My son Brian Hill plans to file a suit in General District Court next week. As courtesy, I am emailing you evidence attachment that Attorney Eric Monday had his contract with the City of Martinsville terminated in December, 2022.

I am emailing proof that Attorney Eric Monday was no longer the attorney effective January 2, 2023. You should know that, yet you are sending an old 2019 letter as if it is a current response, an old 2019th response from an attorney who was terminated for service for the City of Martinsville on January 2nd before my son's FOIA request was even filed on January 20, 2023. This sounds like fraud to me or misrepresentation to file an old letter as a response to a more recent FOIA request. I don't even think you read over the whole thing.

See attachment file: [article_3050f0a0-7bd3-11ed-a1a7-3361f9f28edb.html.pdf](#): Council terminates City Attorney's contract. See https://martinsvillebulletin.com/news/local/council-terminates-city-attorneys-contract/article_3050f0a0-7bd3-11ed-a1a7-3361f9f28edb.html

Also My son and I reviewed over the letter but that response was not to the current FOIA request but to a FOIA request made in 2019 over an entirely different thing. Brian isn't just any member of the public, his lawyer had court orders for the body-camera footage and yet the Police have repeatedly refused to comply with those court orders. Your all breaking the law to protect those who illegally destroyed evidence which would have proven my son innocent of indecent exposure.

This is not a current response which you had sent digitally but a response from 2019 over an entirely different FOIA request in 2019 over a search warrant. My son was able to get that document from the Clerk, but the records are concerning police body-camera footage and it's unlawful destruction. Brian needs that record to prove in a court of law when the body-camera footage was illegally destroyed in his criminal case to prove FRAUD ON THE COURT. At this point the whole criminal case is a fraud anyways, and your all protecting lies and fraud over what??? My son had medical issues in 2018 and the police treated his medical issues and autism as a crime.

My son will go ahead and file a lawsuit over not a current response but are filing a 2019 response over an entirely different matter. My son says he plans to sue over this improper response which isn't even dated in the current year of 2023. Using a Eric Monday letter from 2019. Search warrants are different than records over body-camera footage. The courts have asked for the body-camera footage in three seperate orders and the corrupt former police chief G. E. Cassady kept stonewalling every request in violation of court orders. Your part of the cover up now, and this is documented for a court of law. **You are complicit in the cover up of evidence destroying body-camera footage which multiple courts had asked for.**

URGENT LETTER TO MARTINSVILLE POLICE DEPARTMENT AND CITY OF MARTINSVILLE – FOIA REQUEST

---	---

To Whom it may concern,

Pursuant to the Virginia Freedom of Information Act, I would like to submit a FOIA Request on three different questions I have which can locate records of my request. This is very important and my request is marked Urgent because I need this information as soon as possible. Thank You.

Question #1 (Public policy record question):

What is the length of the evidence retention period of police body-camera footage stored after an incident before it can destroyed? Is it a year? Is it two years? What is the policy of Martinsville Police Department's retention period of retaining body-camera evidence before it is destroyed? (referring to potential evidence not subject to a litigation)

The records I am seeking on this particular question is the policy papers of the Department, and the question may be answered additionally to requesting those records. Policy is usually same as a law or regulation.

Question #2 (Public policy record question):

If the police body-camera footage is subject to litigation (criminal or civil) or was in pending litigation and a Court had ordered the body-camera

footage to either be retained or to be turned over to a defendant as Brady material, does the body-camera footage still fall under the normal retention then destruction period for preserving body-camera footage before the body-camera footage is destroyed or does litigation involving the Police Department prohibit the Police Department from destroying the body-camera footage during pending litigation?

The records I am seeking on this particular question is the policy papers of the Department, and the question may be answered additionally to requesting those records. Policy is same as law, subject to public review.

Question #3:

When did the Martinsville Police Department destroy the body-camera footage recorded on September 21, 2018 of the subject/suspect Brian David Hill? When in 2018 or 2019 was the body-camera footage destroyed regarding Brian David Hill? Any records of when it was destroyed?

It was recorded by Officer Robert Jones at the time. I know it was recording because I saw the device on his uniform light up red. So I know that was a body-camera device and I know it had recorded on that day.

My source told me that the body-camera footage was destroyed. I was told this in August, 2019 or September, 2019, claiming that it was the body-camera evidence retention period as to why it was destroyed. I was told that the body-camera footage was destroyed. My source told me this.

If you do have the body-camera footage, may I have a copy of it to have experts look at it including the Innocence Project of Virginia?

The third question is asking for records concerning myself. **The litigation of the case is closed and the direct appeal had closed.** So I am filing this FOIA request because any post-conviction motions I file, the judge says he does not have jurisdiction, so there is no pending litigation. I have no attorney. That is why I am filing this FOIA request. The Court will not accept any motion I file because the case is closed under Rule 1:1.

I am on a limited income, my only source of income is my Supplemental Security Income (SSI) disability from the Social Security Administration. I am on limited income. So please let me know how much the cost is going to be. **I really need this information. It is very important to me. I have questions that I have a right to have answers to.**

I am Brian David Hill. My SS# is [REDACTED]-0319. DOB is : May 26, 1990.

I am requesting through FOIA, the records concerning myself. The first two questions are just asking about public policy documentation and/or questions about public policy situations, which is usually subject to public review and public scrutiny. So the first two questions should be easy to obtain documents of public police department policy. The third question is answers I need because my source told me that the body-camera footage had been destroyed and was told this around August, 2019 or September, 2019. I needed the body-camera footage because it would have proven that I may have been intoxicated around the time of my arrest and the officer spoke with me when I was possibly intoxicated and/or dehydrated (due to carbon monoxide or anything). My behavior at the time, the way I was acting while being asked questions by Officer Robert Jones. I need the body-camera footage or I need to know when it was destroyed. This would prove something that needs to be proven. I need this information. There is no open criminal case, and any motions I file are denied because of the case being closed under Rule 1:1. So there is no open case. I have to ask through FOIA.

Please I need answers. I need them so that things can be resolved.

Thank You, Where We Go One, We Go All. I appreciate your time and attention to this matter. I am with Q, I am an ally of Qanon because I need answers. I need answers, I need to get to the truth. Jesus Christ said: The Truth shall make me free. I need to know the truth so I can be free.

I do have evidence in the billing record from the Sovah Hospital that I was dehydrated after I was detained by Martinsville Police. The lab work had been deleted from the chart so I may have been intoxicated since the

hospital destroyed evidence I may have been intoxicated at the time of my arrest. There was a cover up, so I need to know the truth so I can have my conviction overturned by the Governor of Virginia.

Signed

Brian D. Hill

God bless you,
Brian D. Hill

Copy of note mailed with letter dated January 19, 2019

**Chief of Police and Commonwealth Attorney in Martinsville,
VA,**

Please acknowledge receipt of letters. Please write response.

Thank you

Brian D. Hill

God bless you!

Note: In a week of no response, I will assume that it was lost and mail another copy. Thanks.

Note from Brian's grandparents. Brian wrote this on January 19, 2019 and January, 20, 2019. He received no response, He sent it again and received no response a week later. After waiting almost two months, his grandparents will have to go to the post office and send this out return receipt requested. You also should know that Brian has been on disability since the age of 19 months; has brittle diabetes requiring insulin shots, has seizures, autism, anxiety and OCD. His actions that night were not normal. He was a victim who was arrested and sent to jail by the police who are supposed to protect its citizens and disabled. Brian's mom and grandparents were at the trial and noticed the prosecuting attorney making derogatory comments and making fun of this disabled citizen of Martinsville in front of his family and many other people in the court room.
